We never see the faces of those we help through our Community Chest. It may be that we pass them daily on the street and do not know them.

That is not important. What really matters is the feeling we have in our own hearts about the value of the 16 community services who share our gift, so that every dollar means a dime for health:

VISITING NURSE ASSN.

32 cents for service to families and individuals:

CATHOLIC CHARITABLE  
BUREAU

FAMILY SERVICE OF GREATER  
LOWELL

48 cents for children and young people:

BOYS CLUB  
BOYS SCOUTS  
COUNTRY WEEK  
DAY NURSERY  
GIRLS CLUB  
GIRL SCOUTS  
The SPCC  
YMCA and YWCA

and the last 10 cents for a helping hand:

ASSN. FOR THE BLIND  
FLORENCE CRITTENTON  
GOODWILL INDUSTRIES  
INTERNATIONAL INSTITUTE
